To Whom It May Concern,

The SCA Board of Education is excited to inform you that we have had a successful first semester and a bright ongoing second semester. We are excited about the amount of growth, not just academically but spiritually, that we have seen in our students this year. With that, we have been looking at changes for next year and how we can continue to grow God's mission and ministry through SCA.

For the 2024-25 school year we will continue to offer grades K-5. Open enrollment to the public will begin on February 15<sup>th</sup>, 2024. Tuition costs will remain at \$3,950.00 for the year plus the cost of student curriculum. A \$150 application fee will still be required and applied toward the cost of tuition.

We have recognized a need for expansion into 6<sup>th</sup> grade. Through fervent prayer and consideration, we feel we have come up with a solution that best meets the needs of SCA and our current SCA families. We will be offering 6<sup>th</sup> grade as a closed enrollment and/or case by case basis. If you have a child enrolling in SCA that is in any grade K-5 and if you have another child that will be in the 6<sup>th</sup> grade, then you will be allowed to enroll your child into the 6<sup>th</sup> grade with SCA.

Thank you for all your support and prayers! If you have any questions, please feel free to reach out to our office staff at 573-581-3837 or look us up on our website at [southsidechristianacad.org](http://southsidechristianacad.org).

May God Bless You,

The SCA Board of Education
